He must've misspelled "week." These traitors need to be dragged out of congress and sent packing.

Yeah, where does this person get the idea that treason is only punished *after* an elected official gets out of office?

I also scratch my head about how people who rig elections and cheat are supposed to get voted out of office next time around...

trump just brought back the gallows and the firing squad. These fucking tie wearing hack jobs are going to learn how pissed off human beings deal with corrupt politicians. The guy putting the rope around their necks will have grease rubbed in around his fingernails from years of working on cars and they're going to figure out in short order that they've had a false sense of security right up to that exact moment.

Certifying fraudulent votes is an act of treason.

It is. No matter who the cheating benefits, it must be stamped out and all of it must be punished as treason.

Kemp doesn't give 2 shifts anymore.

He got his chinese money and now he is out.

They got filthy rich by betraying the american people, they won't be voted out because they own and control the voting machines and election infrastructure.

This could be their last term alive. We don't take kindly to treason.

Every judge that refused to hear evidence of election fraud as well. 7 SCOTUS justices are complicit in treason.

Doesn't matter. If the fraud is allowed to stand from 11/3, that's it. We are done. They will just keep cheating forever

I wouldn't be surprised if Kemp already flipped he was at the xmas party and if he knew his family was in danger he may have spilt the beans on Ratsburger. If he did it would be good optics to keep everybody mentioning how hes being a good CCP asset.

DJT is our leader without a doubt, but this is so much bigger than any one person. This is our republic, this is our movement and this is our destiny. Regardless of what happens on the 6th, this fight has just begun! That's the great thing about this place, it is full with pedes that get it and are down for the fight however long it takes.
